

COVID-19 Lab Testing: Pricing Transparency Requirement

During the COVID-19 emergency period declared by the Public Health Act, providers are required to make public the cash price for the diagnostic test for COVID-19 [Reference: CARES Act Sec. 3202].

COVID-19 Diagnostic Test Cash Price: \$45.23. Individuals with questions about test pricing should contact the facility for which the individual in question is being cared for. Our Facility Locator can be accessed [here](#)
